

**Do you only use your insurance  
when you crash?**

We have the ideal complement for the base policy offered by any insurance company. You save when you have an accident, and if you don't, you have coverages to use at any time.

Your car insurance

Amante de  
los Autos  
*Extra*

**With Amante de los Autos Extra Module, complement the base policy offered by your insurance company with these coverages:**

Save  
**\$37,490\***

If two mirrors, two tires and their rims are stolen.

- **Spare parts theft:**  
We cover the replacement and installation of your spare parts, tires included, if they are stolen.

You receive  
**\$13,200\***

5% deductible.

- **Property damage total loss reimbursement:**  
We give you back the deductible charged by your insurance company if your car is declared a total loss as a result of a claim.

You receive  
**\$26,400\***

Additional to indemnity.

- **An extra 10% compensation:**  
We give you 10% of the market value of your vehicle as stated in the "Blue Book" \* if your car is declared a total loss as a result of a claim.

Save  
**\$600**

Estimate cost in Auto Care Center.

- **Professional car wax:**  
We offer you professional car wax service to make your car look brand new.

**Safety.**

- **Safe transportation service in case of drunkenness:**  
Your safety is very important for us. We offer three transport services a year for you and your vehicle.

\* Savings vary depending on the type and model of the vehicle. The examples we present here are based on data from a Honda Accord 2011 driven in the City of Guadalajara.

The cost of this module is the same for any kind of vehicle of up to 15 years old. Applicable to private and family cars and pickups with a base coverage "Amplia" scheme in effect with another insurance company.

**This module is available with your HDI insurance agent.**
